HEADS UP FROM MRS DAY

Welcome back. I hope you all had a wonderful half term break and managed to get some rest. We had a successful INSET day with training on our new Smartboards in every classroom and Years 3- 5 have all been recarpeted. It was lovely to welcome everyone back on Tuesday despite the rainy start and the children have settled well into the start of term. Yesterday's assembly taught the children the importance of keeping safe on Bonfire Night and the history behind the day. Year 4 enjoyed their first swimming lesson today and the excitement over the Year 1 and 2 production is already brewing - scripts have been handed out, choreography has commenced and the singing in the hall has started!

Next week is our parents evening and we look forward to welcoming you all to the school. As always, myself and Mrs Moulster will be in the hall with books for you to look at with mince pies and hot drinks available. I am pleased to say that our Chair and vice chair of governors, Andrew Dubock and Claire Handyside, will be joining us in the hall from 4.30pm-5.30pm on Tuesday 10th November. This is an opportunity for you to chat with them and share any feedback you may have on the school.

The following week is the School Association Wreath making event on Thursday 19th November (more information on the SA message below).

I hope you all have a lovely weekend and the weather stays dry for any firework visits you may have planned.
